

President's Report for 2025:

- Reversed the trend of declining members over the past few years this year increasing from 10 teams last year to 12 teams this year. Sustaining a healthy number of members is the league's biggest challenge. Inviting friends and acquaintances along to the league is more successful than advertising and Fair Day.
- In February we had our annual stall at the Mardi Gras Fair Day to promote the league and attract new members.
- A successful Mardi Gras Tournament was held in March. Thanks to everyone that participated and special thanks to Norman Mitchell for all his effort organising and running the tournament.
- The 2025 Inter-league Tournament with Maccabi NSW league was held in June with Sydney Rams league winning the tournament for the fifth time in the tournament's 7 year history. Thanks to everyone that attended and donated prizes for this tournament.
- Three successful Bring-a-Buddy nights were held during the year. Special thanks to our donors of prizes.
- The annual Charity Bingo Night held in September was a success raising \$2021, with \$1000 to be donated to Transcend Australia and the remainder for Sydney Rams. Special thanks to everyone donating prizes and to our fabulous performers.
- Participation by Norman Mitchell, Bruce Remmer and myself in the NSW State Tenpin Bowling Championships at Bowlarama, Wetherill Park in February.
- A number of Sydney Rams bowlers competed in the Greg Small Tournament hosted by Maccabi NSW league in October.
- Thank you to Lyndon Gaskin and Kim Shephard for their generous donation of wine during the year as prizes for the Bring-a-Buddy nights and Inter-league Tournament. Thanks also to the Polly's Club for their long-standing support of Sydney Rams.
- Picnic in Turruwul Park, Rosebery in October attended by about 20 Sydney Rams members and guests.
- Presentation night on Saturday 29th November to be held at the Graphic Arts Club, Mascot.
- Thanks to Savva and his Manhattan Super Bowl team for continuing to host us year after year and their very generous support of two free Bring-a-Buddy nights each year.
- Thank you to Norman and Kim for their enthusiasm, dedication and commitment to the committee. Special mention to Norman who has performed two roles this year as Club Secretary and Club Treasurer.
- Looking forward to an exciting 2026.
